<p>The article <u>shades light on the animal sport</u> as <u>rodeo</u>. Not only <u>bull-roping, riding broncos</u> or other performances make it the most popular sport of American nation but also positive emotions which people receive during the show. However, is rodeo only about bloody performance or about contribution to family's leisure time, too?</p> <p>On the one hand, rodeo, undoubtedly, has been a good entertainment for many years. Among its advantages are the opportunity to unwind and have fun. and Not only those who have come alone will enjoy it but also people with kids as there are numerous activities that <u>cater for all interests</u>.</p> <p>On the other hand, rodeo is about violence as well. The case here is that <u>poor animals have nothing but to participate</u> in these bloody shows because under no circumstances will they be allowed to be free.</p> <p>Thus, the conclusion can be drawn that despite all pros of the rodeo, there are some cons that can make you re-think your view on the sport. Honestly, I disapprove of <u>visiting</u> such performances due to the cruelty towards the animals. Moreover, being not a big fan of animal sports, I would <del>not</del> never visit it.</p>	Количество слов: <u>194</u>
